SNP PROJEX PVT LTD. aspires for leading global market position by delivering world-class engineering products & services and upholding top-tier quality, ethical standards as a company's backbone for progressive growth.

Do the Right Things.....always, On Time....every time and With Excellence.....Uncompromising Quality !

ABOUT SNP PROJEX

We are pleased to introduce about our company SNP PROJEX PVT LTD. We are one of the professionally managed contracting company engaged in execution of Turn-key projects pertaining to Mechanical, Civil and Electrical field.

SNP PROJEX PVT LTD. is established in 2005 and holds ISO9001:2015 certification from TuV NORD. Our 20,000 Sq. ft. unit at Ambernath MIDC houses state-of-the-art modern facilities giving the required thrust to our manufacturing capabilities. We believe in keeping customers happy by providing them best quality products & services at a reasonable price and in timely manner.

'SNP PROJEX' have built up a formidable reputation of fabrication excellence over a span of one decade that relies upon its capability to consistently upgrade its technological prowess. The technical team has an impeccable record of proven excellence in providing professional engineering services ranging from large multinational companies to smaller Indian clients. We are one of the fastest growing companies with excellent track record for best customer satisfaction.

We integrate our design, manufacturing and project management expertise to execute turnkey projects that are cost effective, reliable & custom-built to suit the needs of our client. The company is managed by veteran technocrats, well supported by senior professionals having vast experience in every domain.

'SNP PROJEX' activities encompass execution of Projects right from concept to commissioning. This includes Engineering, Procurement, Fabrication, Erection, Testing and Commissioning assistance for Mechanical, Civil and Electrical jobs, covering everything of the project under one roof. We have achieved mastery in execution of various projects pertaining to our field. Operations of the company is mainly divided into six Verticals-

-  **Manufacturing**
-  **Services**
-  **Turn-key Projects**
-  **Engineering**
-  **Electrical & Instrumentation**
-  **Exports**

'SNP PROJEX' aspires for leading global market position by delivering world-class engineering products & services, upholding top-tier quality, ethical standards as a company's backbone for progressive growth. We strive to achieve customer satisfaction through prompt services, timely delivery, consistent quality, and reliable technology. We offer cost-effective solutions to our valued clientele.

Why SNP PROJEX PVT. LTD.?

- ❑ **Trusted- SNP PROJEX** is more than 15 years old company, Trusted by reputed clients, Government licensed Contractor and Reliable firm registered under ROC, MSME, NSIC.
- ❑ **Infrastructure** - Our 20,000 Sq. ft. unit at Ambarnath MIDC houses state-of-the-art modern facilities giving the required thrust to our manufacturing capabilities.
- ❑ **Strength** - We have 200+ Technical people (In house + Associates).
- ❑ **Business Verticals** - Engineering, Manufacturing, Services, Turn-key Projects, Electrical Contracts, Exports.
- ❑ **USP** - Timely completion of projects with no compromise in quality.
- ❑ **Core Expertise** - Design, Supply, Fabrication & Erection of Heavy Equipment, Structures, Pipe, Storage tanks —Pressure Vessels, Heat Exchangers, Bath Heaters, Spray Dryers, KOD, Filters & Separators, Chimney, Stack, Ducting, Process Piping, Pipe rack, Tank farm, Bridge Girders for Obligatory spans, FOB, ROB, GLS, PEB structure, Mooring Buoys, Marine Structure (top side), Crane Mattress, Tubular Steel Piles for Fender and Mooring for Marine Jetty, etc.
- ❑ **Quality** - SNP PROJEX holds ISO9001:2015 certification from TUV NORD. We have worked with consultants EIL, BVIS, TUV, TCE, Electromech, SCPL, IRS, Rina, CNW, DMRC, LBG, Toyo, Mott Macdonald, Uhde, Jacobs, MES.
- ❑ **Business Sectors** - Chemical, Pharmaceutical, Oil & Gas, Petrochemical, Refineries, Marine, Indian Railways, Defense and Infrastructure Projects in India & overseas.
- ❑ **Success Stories** - SNP Projex have achieved a great success in past decade with Cipla, HPCL, Godrej & Boyce, Tech Nova, L&T, ONGC, Punj Lloyd, J Kumar Infra, Afcons, Supreme Infra, NCC, Fuchs Lubricants, Indian Army, Indian Railways, JMC Infra, SAFESS, CIDCO, MMRDA, NMRC, Nirmal Industries, Godrej Industries, etc.

Our Purpose

To help Industries enjoy companionship in business and moving towards a profitable growth.

SNP PROJEX will provide premium quality Engineering Products and services that ENGINEERS prefer for the Company, CONSULTANTS recommends to the Clients, SURVEYORS choose for Contractors, PURCHASERS select for Firm, EMPLOYEES & ALLIANCE PARTNERS feel proud of association.

Our Vision

To build Asia's most Reliable and Trusted Contracting Company which shall contribute in nation growth.

SNP PROJEX aspires for leading global market position by delivering world-class engineering products & services and upholding top-tier quality, ethical standards as a company's backbone for progressive growth.

Our Mission

By providing one stop solution for all project needs with systematic approach enabled with technology, we aim to be one of the best company in Engineering Contracts adopting Win-Win-Win proposition.

At SNP PROJEX we are committed "To thrive in fulfilling our customers' needs and aspirations by providing an excellent quality engineering products and services at a competitive price with emphasis on building trust, nurturing client relationships and employee growth.

Our Core Values

Do the Right Things.....always, On Time....every time and With Excellence.....Uncompromising Quality.

It is about treating all the people fairly, working hard with the purpose and providing excellent product and service for you and each of our customers—we will strive to—

Do the Right Things. . . Be honest & fair, respectful, safe, firm—yet understanding, build trust . . . **always.**

On Time . . . Be accountable, reliable, and responsive . . . **every time and With Excellence** . . . Understand & exceed expectations, find a better way with **Uncompromising Quality.**

OUR CORE EXPERTISE

'SNP PROJEX' activities encompass execution of Projects right from concept to commissioning. This includes Engineering, Procurement, Fabrication, Erection, Testing and Commissioning assistance for Mechanical, Civil and Electrical jobs, covering everything of the project under one roof. We have achieved mastery in execution of various projects pertaining to our field. Operations of the company is mainly divided into six verticals-

 Manufacturing

 Services

 Turn-key Projects

 Engineering

 Exports

 Electrical & Instrumentation

QUALITY ASSURANCE:

Approved Quality Assurance Plan is followed stringently throughout the manufacturing process. Raw materials, bought out items and consumables are purchased from approved vendors only. Raw materials are tested for Physical & Chemical properties at NABL approved Laboratories. Welding machines and Measuring instruments are calibrated. Welder tests are carried out as per ASME and welding is carried out by certified welders only. Components are manufactured under strict Quality Control. Each component is inspected at every stage for correctness by our Quality Assurance Engineers. Non-destructive tests like DPT, RT, UT, MPT, LPT, DFT, etc are carried out by qualified ASNT Level II personnel as per code requirement.

We have worked under reputed Inspection Agencies like IRS, TUV SUD, BVIS, EIL, TCE, Jacobs, Rina, ONGC, LNT, Electromech, SCPL, Mott Mac, CNW, DMRC, LBG, etc.

TOOLS USED FOR QMS IMPLEMENTATION:

- ❑ Principles of PDCA & Risk Assessments have been implemented
- ❑ Establishment of Quality Policy & Objectives
- ❑ Frequent Internal Audits
- ❑ Periodical Management Reviews
- ❑ Implementations of CAPA & Continual Improvement Programs

TESTING FACILITIES

S.N.	Description	S.N.	Description
1.	Ultrasonic Testing (UT)	10.	Hydrostatic Pressure Testing
2.	Radiography Testing (RT)	11.	Pneumatic Pressure Testing
3.	Dye Penetrant Testing (DPT)	12.	Vernier Calliper
4.	Magnetic Particle Testing (MPT)	13.	Micrometer
5.	Positive Material Identification (PMI)	14.	Bridge Cam Welding Gauge
6.	Ultrasonic Thickness Gauge ('D' Meter)	15.	Digital Multimeter
7.	DFT Meter	16.	Megger
8.	Dial Type Profile Gauge	17.	Earth Tester with Accessories
9.	Mechanical & Chemical Testing	18.	Tong Tester

QUALITY MANAGEMENT SYSTEM

Quality Management systems have been established, documented, implemented and maintained in a manner that allows continual improvement of the system's effectiveness in accordance with the requirements of ISO 9001:2015

QUALITY POLICY:

We the members of M/s SNP PROJEX PVT. LTD. are committed for Total Customer's satisfaction by giving products at competitive price and on time delivery with Excellent Quality. We will strive hard to become an excellent manufacturing company through Continual Improvement in our Quality Management System. We will therefore-

- ❑ Design Manufacture & Supply of "Heavy Equipment, Structure, Piping" of excellent quality & services which exceed our customer needs & expectation by eliminating their complaint or concern through continuous improvement & preventive action.
- ❑ Ensure on-time delivery of products & services which meet our customer's requirement through flexible & fast set up of production.
- ❑ Control & monitor all stages of operations (from procurement, production, sale and service) aiming for Zero Defect.
- ❑ Actively involve our employees in improvement programs to improve our competitiveness by way of improved quality & productivity.
- ❑ Procure quality materials & services from good suppliers identified from stringent supplier selection process & evaluation of their performances.
- ❑ Complying with applicable statutory and regulatory, customer requirement.

SAFETY, HEALTH & ENVIRONMENT

'SNP PROJEX' believes in "SAFETY FIRST" with Zero accident Credo. Management of SNP PROJEX always consider that Safety & Health of our employees is one of the top priorities. SHE performance is reviewed & audited regularly. We always give importance to Safety first & are committed to continuous improvement in SHE.

HEALTH & SAFETY POLICY

'SNP PROJEX' is committed to perform all daily activities in a controlled manner so as to preserve the health and safety of our employees, contractors and customers while simultaneously minimizing the impact that our activities have on the environment. We operate in compliance with all relevant environment legislation and constantly strive conduct all activities in an efficient and eco-friendly manner.

It is our intention as a company to provide a safe and healthy work place. We will establish and insist upon safe work practices by all employees at all times. All supervisors make employee safety an integral part of their duties. Each employee accept and follow all established safety, loss control and risk management regulations and procedures.

- ❑ We believes that safety starts with proper training! Safety Officer provide Safety awareness trainings to all of our employees.
- ❑ A dedicated Safety Officer is posted at site if proposed man power at site exceeds the strength of 50 nos
- ❑ All the employees are provided with essential Personal Protective Equipment while working.
- ❑ Risk assessment and Hazards in operations are identified and informed to team before starting each work.
- ❑ TBT is conducted daily before commencement of the works.
- ❑ Employees help to prevent accidents! Unsafe acts and Unsafe conditions are reported immediately.
- ❑ Safety training is imparted periodically while working to reduce the risk of accidents.
- ❑ Fire-fighting equipment and First aid Box is provided at work place. System is checked periodically.
- ❑ Storage of inflammable material is notified and stored safely.
- ❑ Housekeeping is everyone's responsibility! Cleaning the waste material, debris, cut pieces of steel, electrode beads, etc. in and around work place and keep all the passages, walkways and approaches clear.
- ❑ Provide Fire-fighting training to employees for how to use of Fire-fighting equipment in case of any fire.
- ❑ Provide First Aid training to employees for how to give of First Aid in case of any accident.
- ❑ Safety person conducts inspection of all machines, tools and tackles & certifies condition periodically.

Accident prevention is the responsibility of all employees. Preventing accidents shall be a primary consideration in all phases of our operations and administration.

Every injury is reported immediately. Even a slight cut or strain injury must be reported immediately. Serious injuries that require emergency medical care is reported to management immediately after emergency care has been provided.

All accidents are thoroughly investigated! CAPA analysis done to avoid recurrence.

***We at 'SNP PROJEX' believe that Safety is a team effort! Always Work Safe!
Accidents Hurt Everyone!***

INFRASTRUCTURE DETAILS

Basic Information

Name of Company	SNP PROJEX PVT. LTD.
Ownership Type	Private Limited Company
Year of Establishment	2005
Business Verticals	Engineering, Manufacturing, Contract Services, Turn-key Projects, Exports, Electrical Contracts
Firm Registered under	Small Scale Industries & NSIC
Quality Initiatives	ISO 9001:2015 Certified Company
Details of Key Person	Mr. Santosh Mulay (Managing Director) Cell: +91 8356934924; E mail: santosh.m@snpprojex.com

Infrastructure Details:

Regd. Office	2/43, Vijay Garden, Ghodbunder Road, Thane- 400615, Maharashtra. Tel: +9122 25972231, Email: info@snpprojex.com; omengg1@yahoo.com		
Factory	Plot: W-87/1, Additional MIDC Anandnagar, Ambernath-(East), Thane-421506, Tel: +912512021331, Email: info@snpprojex.com Covered area-20000 Sq. Ft.; Open area- 15000 Sq. Ft.; Overhead cranes- 15 Ton, 10 TON and 5 Ton, Elect Power: 106 HP		
Location Aspect	Head office located at Thane, Factory is located in Ambernath MIDC just 45 Km away from Mumbai & JNPT Port.

19.	Electrode Baking Oven-300 Degree	15 Nos.	40.	Fitter Tool kit	25 Set.
20.	Portable Oven- 150 Degree	15 Nos.	41.	Electrician Tool kit	20 Set.
21.	Boom Lifter (17Mtr Height)	02 Nos.	42.	Sissor Lift (15 Mtr Height)	02 Nos.

MANUFACTURING RANGE

'SNP PROJEX' has built up a formidable reputation of fabrication excellence over a span of one decade that relies upon its capability to consistently upgrade its technological prowess. The technical team has an impeccable record of proven excellence in providing professional engineering services ranging from large multinational companies to smaller Indian clients.

Pressure Vessel-

Code of Construction	ASME SECT VIII – DIV 1/PD 5500/IS 2825
Material of Construction	SA 516 Gr. 60/70, SA 537CL II, SA 106 GR B, SA 240 – 304, 304L, 316, 316L, 316TI, 317, 317L, 321 & 347, SA240 UNS S31803, SA240 UNS S32205, SA 335 GR P11, SB 409 UNS N08810, SB 168 UNS N06600, SB 168 MA-601, SB 256 Ti GR II
Thickness Range	CS up to 100 mm thk & SS up to 100 mm thk.
Diameter Range	Up to 5000mm
Length/Height Range	TL to TL 35000 mm
Dished End Construction	Ellipsoidal, Torispherical & Hemispherical

Heat Exchangers-

Code of Construction	TEMA CL 'C' & CL 'R'
Type of Exchangers	Fixed tube sheet, Floating head, 'U' tube, Double Pipe, Condensers, Bath Heaters
Material of Construction	CS & SS. SA 516 Gr. 60/70
Construction (Tube to tube sheet)	Expanded/Welded/light expansion/seal welding/Light Expansion & Seal welding.
Tube sheet Thk Range	Up to 200mm.
Tube Size	20mm OD & 25mm OD.
Tube THK	1.5mm/2mm/2.5mm & 3.15mm
No. of Tube	Up to 1000 Nos.

Storage Tanks-

Code of Construction	API – 650
Material of Construction	IS 2062 Gr.B & SS.
Thickness Range	5mm to 20 mm.
Diameter Range	Up to 20 Mtr.
Capacity	5 KL to 200 KL

Process Equipment

- ❑ KOD, Filters, Water & Gas Separators, Heaters
- ❑ Spray Dryers, Air Receivers, Filters, Water & Gas Separators, Chimneys, Stack, Ducting, etc.
- ❑ Crystallizer with limpet coil, Powder Blender, Surge hoppers, etc.
- ❑ MSRL Tanks, Absorption Tower & FRP lined tanks, Portable Containers, etc.
- ❑ DM Plant, Filter Tanks with interconnected piping in MSRL, Skids for RO Plant, etc.
- ❑ Bulk liquid Filling Machine, Slat conveyor, Screw Conveyor, etc.
- ❑ D.P Buoys, Mooring Buoys

Pre-fabricated Structure-

- ❑ Supply and Fabrication under Third Party Inspection- Plant Structures required for Refineries, ONGC Process Complex, Chemical plant, Pharmaceutical plants, Fertilizer plant, Process Plants, etc.
- ❑ Supply and Fabrication of Pipe Rack, Bridges and Trestles for Refineries.
- ❑ Supply and Fabrication of Composite structures- Bridge Girders for Railway Over Bridges and Obligatory spans in Road Flyover, Foot Over Bridges, Pedestrian Skywalks, Marine Catwalks, etc.
- ❑ Supply and Fabrication of Ground Supporting Structure, Portal Frames, Spreader Beams, Roof Structures, Trusses, Barricading Boards, Stacking frames and Form Work for Infra Structure Projects.
- ❑ Supply and Fabrication of Pre- Engineered Building Structures
- ❑ Supply and Fabrication of Metering Skids, Hand railing, Gratings, Platforms and Structural frames.

Piping-

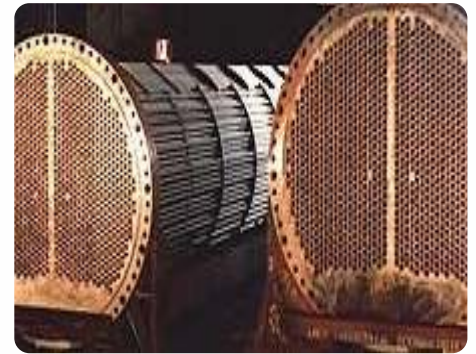

- ❑ Steel Pipes for Fender Piles, Mooring Piles and Spuds in material API 5L X80
- ❑ Pre fabrication of Process Piping, Utility Piping, ETP Piping, MOC- IS1239, A106 Gr B, Ss304, SS316, PP, PVC & HDPE.
- ❑ Pre fabrication of Hydrocarbon Pipe lines, Flow Arms & Piping Spools in A106 Gr B, from Sch40 to Sch160 with 100% RT.
- ❑ MSRL piping and Pigging lines.

SERVICES RENDERED

'SNP PROJEX' have worked with prime consultants, such as Engineers India Ltd, Bureau Veritas, TUV SUD, Tata Consulting Engineers, Rites, Indian Register of Shipping, B. Mehtalia, Toyo Engineering, Mott Mac, Uhde, Rina, CNW, LBG, DMRC, NMRC and many more.

Our clients are proof and testimony of the high-quality services that we offer. They can vouch for our capability and performance. Timely completion of projects with no compromise on quality is our USP. We have experienced team of highly-qualified engineers, skilled supervisors and skilled workman to meet any challenges in Mechanical, Civil and Electrical field. We mobilize manpower in a relatively short period of time. Our domain expertise is unparalleled and unmatched. If you wish to install your manufacturing plant, you have reached the right destination. We assure you that you will get prompt attention and excellent value for your money.

On-site Fabrication and Erection-

- ❑ Supply, Fabrication & Erection of Technological structures, Pedestrian Skywalk, Pre Engineered Buildings, Pipe racks, Catwalk Bridges, Top side Structures, Bridge Girders for Road Flyovers.
- ❑ Supply, Fabrication & Erection of Storage tanks, Silos, Chimneys, Stack, Ducts in CS & SS.
- ❑ Supply, Fabrication, Erection and Testing of Process Piping, Utility Piping, IBR Piping, Pigging lines, ETP Piping, MOC- IS1239, IS3589, A106 Gr B, SS304, SS316, PP, PVC & HDPE.
- ❑ Supply, Fabrication and Erection of MSRL Piping and Pigging lines.
- ❑ Installation, Commissioning & Hook up of Plant Equipment & machineries, Storage tanks, Columns, Pressure vessels, Heat Exchangers, Condensers, Tank farms, Pumps & Pipe lines, Chimneys, etc.

Off-shore Fabrication and Erection-

- ❑ Supply, Fabrication & Erection of marine structures, Pipe racks, Catwalk Bridges, Top side Structures, Steel replacement for Oil and Gas field, Process complex and Marine Jetty.
- ❑ Supply, Fabrication, Erection and Testing of Hydrocarbon Pipe lines, Flow Arms, Process Piping and Utility Piping, MOC- A106 Gr B, SS304, SS316, size ranging from 1/2" to 16", Sch40 to Sch160 with 100% RT.
- ❑ Commissioning & Hook up of Process Equipment & machineries, Pressure vessels, Heat Exchangers, Condensers, Pumps, Pipe lines, Pipe racks, Top side Structures, Catwalk Bridges with Barge Crane.
- ❑ Dismantling and replacement of Equipment, Piping, Valves, Gaskets and Steel replacement.

Plant Shutdown and Revamping

- ❑ Plant Shutdown works for Refineries, ONGC Process Complex, Chemical plant, Pharmaceutical plants, Fertilizer plant, Process Plants, etc.
- ❑ Plant Relocations & Modifications, Pipe replacement projects, Structural replacements.
- ❑ Reconditioning of Heat Exchangers, Tube cleaning by Hydro jetting/ Drilling.
- ❑ Supply of Skilled / Semiskilled / Unskilled labours for miscellaneous Project work.

Annual Rate Contracts-

- Annual Maintenance Contracts for Refineries, ONGC Process Complex, Chemical plant, Pharmaceutical plants, Fertilizer plant, Process Plants, etc.
- Supply, Fabrication & Erection of Plant structures, Platforms, Staircase, Hand Railing, Sheds, etc
- Supply, Fabrication, Erection and Testing of Process Piping, Utility Piping, IBR Piping, ETP Piping, MOC- IS1239, IS3589, A106 Gr B, SS304, SS316, PP, PVC & HDPE.
- Supply, Fabrication & Erection of Storage tanks, Silos, Chimneys, Stack, Ducts in CS & SS.
- Installation, Commissioning & Hook up of Plant Equipment & machineries, Storage tanks, Columns, Pressure vessels, Heat Exchangers, Condensers, Tank farms, Pumps & Pipe lines, Chimneys, etc.

On Site Fab & Erection

Offshore Fab & Erection

AMC & Plant Shutdown

TURN-KEY PROJECTS

We integrate our design, manufacturing and project management expertise to execute turnkey projects that are cost effective, reliable & custom-built to suit the needs of our client. The company is managed by veteran technocrats, well supported by senior professionals having vast experience in each domain. We love challenges and our versatile team undertakes all projects and execute them skillfully. Timely completion of projects with no compromise in quality is our USP. Our domain expertise is unparalleled and unmatched.

Industrial Projects-

- ❑ Design, Supply, Fabrication & Erection of Plant Buildings, Technological structures, Pre Engineered Building Structure, Refinery Pipe racks and Trestles, etc.
- ❑ Design, Supply, Fabrication & Erection of Process Equipment, Storage tanks, Silos, Chimneys, Stack, etc
- ❑ Supply, Fabrication & Erection of Process Piping, Utility Piping, IBR Piping, ETP Piping, MOC- IS1239, A106 Gr B, SS304, SS316, PP, PVC & HDPE.
- ❑ Erection of Plant Equipment, Heavy Machineries, Tank farm, Distillation Column, Boilers, Chimneys, etc.
- ❑ Commissioning & Hook up of Plant Equipment, Columns, Pressure vessels, Heat Exchangers, Storage tanks, Pumps & Pipe lines, Condensers, etc.
- ❑ Fabrication & erection of Structures for Factory Sheds, Pre Engineered Buildings, Pipe racks, etc.
- ❑ Civil Construction: Factory Sheds, Industrial Building, Equipment Foundation, Water reservoir, ETP, Storm water drainage system, Tremix Flooring, Roofing and Cladding, etc.

Offshore Projects-

- ❑ Supply, Fabrication & Erection of Top side Structures, Pipe racks, Catwalk Bridges, Marine Structures, etc.
- ❑ Supply and Fabrication of Steel Pipes for Fender Piles, Working Piles and Spuds, MOC: API 5L X80
- ❑ Supply, Fabrication, Erection and Testing of Hydro carbon Pipe lines, Piping Spools, Flow Arms, MOC- A106 Gr B, SS304, SS316, size ranging from 1/2" to 16", Sch40 to Sch160 with 100% RT.
- ❑ Supply and Replacement of Steel Structure.
- ❑ Commissioning & Hook up of Process Equipment & machineries, Pressure vessels, Heat Exchangers, Condensers, Pumps, Pipe lines, Pipe racks, Top side Structures, Catwalk Bridges with Barge Crane.

Infrastructure Projects-

- ❑ Design, Supply, Fabrication & Erection of Foot Over Bridges on Indian Railways, Highways and Metro Rail
- ❑ Supply, Fabrication and Erection of Composite structures- Bridge Girders for Railway Over Bridges and Obligatory spans in Road Flyover,
- ❑ Fabrication, Assembly and Erection of Pedestrian Skywalk for Railway Stations.
- ❑ Supply and Fabrication of Ground Supporting Structure, Portal Frames, Temporary structures, etc.
- ❑ Supply and Fabrication of Ground Supporting Structure, Portal Frames, Spreader Beams, Trusses, Barricading Boards, Stacking frames and Roof Structures for Metro Rail projects.

ENGINEERING

'SNP PROJEX' activities encompass execution of Projects right from concept to commissioning. This includes Engineering, Procurement, Fabrication, Erection, Testing and Commissioning assistance for Mechanical, Civil and Electrical jobs, covering everything of the project under one roof.

Mechanical Engineering-

- Engineering Design and Detailed Engineering for Static Equipment.
- Pressure Vessels as per ASME sec VIII, Div I / PV-ELITE Design pack (Latest)
- Storage Tanks as per API 650, 620.
- Fabrication drawings for Pressure vessels, Columns, Heat Exchangers, Storage tanks, Chimney, etc.

Civil/ Structural Engineering - Design & Detailed Engineering for

- Engineering Design and Detailed Engineering for Heavy structures,
- Foot Over Bridges and Roof structures.
- Fabrication drawings for Civil Structures, Pedestrian Skywalk, Obligatory spans, Catwalks, Pipe rack.

Mechanical Engineering

Civil Engineering

EXPORTS

'SNP PROJEX' has built up a formidable reputation of fabrication excellence over a span of one decade that relies upon its capability to consistently upgrade its technological prowess. The technical team has an impeccable record of proven excellence for export excellent quality engineering products to multinational companies in abroad.

'SNP PROJEX' holds Import and Export License. Firm is registered with MPT Mumbai and JNPT Navi Mumbai.

Marine Structures-

- ❑ Fabrication and Export of Crane Mattress, Trailer Mattress for Load out Jetty. Qty- 500 MT
- ❑ Fabrication and Export of Telecom Tower. Qty- 25 MT
- ❑ Fabrication and Export of Portal frames and Roof Structure for Godowns. Qty- 125 MT

Pile Pipes-

- ❑ Fabrication and Export of Steel Pipes for Fender Piles and Mooring Piles of Load out Jetty, MOC: API 5L X80, Quantity- 504 MT
- ❑ Fabrication and Export of Protruding Pipes.

Marine Structures

Pile Pipes

ELECTRICAL & INSTRUMENTATION

'SNP PROJEX' have achieved mastery in every job pertaining to the electrical field. We enjoy the reputation as a qualitative and systematic cost-conscious contracting company capable of executing total project right from the concept to commissioning under the targeted schedules.

We love challenges, and our versatile team undertakes all projects & execute them skillfully. We offer top-quality services, which range from installation and system design to expansions and upgrades. We also offer repair, maintenance & troubleshooting. Timely completion of projects with no compromise in quality is our USP. Our domain expertise is unparalleled and unmatched.

Some of our distinguished services are mentioned below-

Electrical Contracts-

Supply, Installation, Testing and Commissioning of Electrical works for -

- ❑ EHV/HV switch yards, power transformers, HT panels, HT and LT cable laying & termination.
- ❑ HT and LT Power Distribution Systems.
- ❑ Electrification of Substation, Utility Building, Office Building and Panel rooms.
- ❑ Process Circuits, Earthing, Lightning and Power systems, UPS, Invertors and DG Sets.
- ❑ Cable Trays, Raceways, Structured Cabling and Bus-Bar Systems.
- ❑ Plant Lighting, Clean Room Lighting, Street Lighting and lighting for Commercial Installations.
- ❑ Fire Alarm System, CCTV, Access Control PA System, Telephone and Data Cabling.
- ❑ Design, Manufacturing, Supply, Installation, Testing and Commissioning of Electrical Control Panels- PCC, MCC, APFC, PDB, DG Set synchronizing & AMF Panels, SOFT Starter Panel, AC Drive Panel, PLC Panel, Relay & Metering Panel, ACDB Panel, etc.
- ❑ Supply of Electrical and Instrumentation Hardware.

Instrumentation Contracts -

- ❑ Supply, Installation, Testing and Commissioning of temperature instruments.
- ❑ Vibration measuring instruments and analytical process control instruments.
- ❑ Flow / Level instruments.
- ❑ Control valves, PLC, Data loggers, SCADA and DC' systems.

Electrical Testing and Commissioning-

- ❑ Emergency Repairs.
- ❑ Electrical Testing and Commissioning.
- ❑ Planned Preventative Maintenance.

We offer our distinguished services at market-leading prices. We set high standards for ourselves, and we never compromise on quality. We offer in-demand, customer-centric solutions to our valued clients. 'SNP PROJEX' is able to provide commissioning assistance to all size projects by:

- ❑ Deputing Engineers, Supervisors, Instrument Technicians, skilled Fitters and Electricians with the relevant industry experience and competencies.
- ❑ Having people with experience in the commissioning of Electrical and Instrument control systems in a diverse range of processes within any environment.
- ❑ Provide documentation that is traceable to international standards.

PROJECTS HISTORY

Sr.No	Client	Application	Work Description
1	Client - HPCL Mahul Contractor - M/s MSK Projects India Ltd.	Structural work for Refinery	Fabrication & Erection of Heavy Structures for Pipe Rack, Pipe Bridges & Pipe supporting Trestles
2	Client - ONGC Mumbai Contractor - M/s Harsh Engg. Components Company.	ARC, Flow Arm Piping, Topside Structure, Platform AMC, Reconditioning jobs	ARC – Neelam Process Complex, Fab. & Erection of Flow Arm Piping, Pipe spools, Float Boxes, GI Hand Rails, Misc. Structures (topside), Reconditioning of Heat Exchangers & Mud Pumps.
3	Client - CIDCO Belapur Contractor - M/s J.Kumar Infra projects Ltd. Mumbai	Urban Infrastructure FOB	Fabrication & Erection of Pedestrian Skywalk 1.75 KM long near Kharghar Railway Station.
4	M/s. Larson & Toubro Ltd. ECC Divn. Mumbai	Cable Rack Structure- Refinery	Supply, Fabrication & Erection of Structures for Cable Rack at HPCL Mahul.
5	M/s. Hindustan Petroleum Corporation Ltd. Mumbai	ARC – Refinery	ARC of Mahul Refinery - Fabrication & Erection of Pipe lines & Structural
6	M/s. Godrej Industries Ltd. Ambernath	Project work- Tank farm, Equipments, Piping &	Supply, Fab. & Erection of Storage tanks, Pipelines, Chimneys, Structures, Relocation of Plant Eqpts, ETP Set up
7	M/s. Punj Lloyd Ltd. Offshore Divn. Mumbai	Equipments	Supply & Fabrication of Midline Buoys, DP Buoys
8	M/s. Cipla Ltd. Goa	ARC	ARC- Fab. & Erection of Piping, S.S. Equipments, Structural, Heavy Erections
9	M/s. Technova Imaging Systems (P) Ltd. Talaja	Project work- Piping, Structural & ARC	Supply, Fabrication & Erection of Process piping, Structural, Equipments, ETP Plant & ARC for three years
10	M/s. Deepak Fertilizers & Petrochemicals Corp. Ltd. Talaja	Storage Tanks & Structural	Supply, Fabrication & Erection of Storage Tanks & Structures
11	Client - IRCON, HAL, IOCL Contractor - M/s. Octamec Building Syst. Ltd. Mumbai	PEB Structures	Fabrication of PEB Structures for IRCON, IOCL & HAL
12	Client - Godrej Industries Ltd. Mumbai Contractor - M/s. A.R. Engineering Company	Storage Tanks	Fabrication of MS & SS Storage Tanks Erection of Storage Tanks - 125 Nos. in all Tank farms at GIL. Ambernath
13	Client - MIAL Mumbai Contractor - M/s. Geodesic Yognam Structural Ltd.	Airport Structure	Fabrication & Erection of Heavy Structures for Mumbai Airport
14	M/s M.P. Associates, Panvel	Structural for MP Mall	Supply, Fabrication & Erection of Roof Structure & RCC structure for MP Mall
15	M/s Zamil Constructions India Pvt. Ltd. Pune	PEB Erection	Erection of Pre-Engineered Building at Hinjewadi Pune
16	M/s. Godrej & Boyce Mfg. Co. Ltd. Ambernath	Project Work- Electrical Installations	SSD- Installation, Testing & Commissioning of External & Internal Electrical work.
17	M/s Godrej Industries Ltd. Mumbai	Construction of Plant Building	Civil, Mechanical & Electrical work of Noodler Plant

PROJECTS HISTORY

Sr.No	Client	Application	Work Description
18	M/s Seion Water Inc. Mumbai	Equipments	Supply & Fab. of Dished End Tanks, MSRL Piping, Skids for DM & RO Plant
19	Indian Army M/s Bombay Engineering Group & Centre, Pune	Central Railway Foot Over Bridges	Design, Supply, Fabrication & Erection of Canopy Structure, Decking Modules & SS Hand railing for Army FOB's
20	Client - GCPTCL/ Reliance Contractor - M/s Afcons Infrastructure Ltd. Dahej	Marine Structure	Fabrication & Erection of Pipe Racks, Catwalk Bridges & Top side Structure for Expansion of Reliance Jetty
21	M/s. Godrej Industries Ltd. Ankleshwar	MPP Plant- Storage Tanks, Process Piping, Equipments	Supply, Fab. & Erection of Storage tanks, Piping, Chimneys, Installations & commissioning of Plant Equipments.
22	Client - MMRDA / DMRC Contractor - J.Kumar Infra	Urban Infrastructure Mumbai Metro	Fabrication & Erection of Misc Structure- Mumbai Metro line 07, 02, Casting yards
23	Client - MMRDA Mumbai Contractor- M/s Supreme Infrastructure India Ltd.	Urban Infrastructure Mankoli Flyover	Supply, Fabrication & Erection of Composite Steel Structure- Bridge Girders for 50 Mtr long Obligatory Span.
24	M/s Inderjit Mehta Construction Pvt. Ltd. Delhi	FOB Structure for Ambivli Railway Station	Supply, Fab. & Erection of FOB structure for Ambivli Railway Station.
25	M/s UBC Engineers Pvt. Ltd. Belapur	FOB Structure for Currey Road Railway Station	Supply, Fab. & Erection of FOB structure for Currey Road Railway Station.
26	M/s Fuchs Lubricants (India) Pvt. Ltd. Ambarnath	Process Piping	Supply, Fab. & Erection of Process Piping, Piggging lines, Insulation, Installations of Plant Equipments.
27	Client- GAIL & Essar Steel Supplier- M/s Nirmal Industries Mumbai	Equipment	Fabrication of Pressure Vessels- Knock Out Drum, Filter Separators and Bath Heaters
28	Client- Reliance Industries Supplier- M/s Nirmal Industries Mumbai	Equipment	Fabrication of Pressure Vessels- Water & Gas Separators, Piping spools and Base frames for Metering Skids
29	Client- Cargill India Pune Supplier- M/s Adhithana	Equipment	Fabrication of Spray Dryer SS304
30	Client- MCGM Mumbai Supplier- M/s JMC Infra projects (I) Ltd.	FOB Structure	Fabrication of FOB structure for MGLF- Indian Oil Nagar & Bainganwadi
31	Client- Nagpur Metro, Rail Corporation Contractor - M/s Afcons	Foot Over Bridge for Metro Rail	Design, Supply, Fabrication & Erection of FOB's-7 Nos For Sitabuldi Metro Station
32	M/s Godrej & Boyce LTD.	Electrical Project	Supply, Installation, Testing & Commissioning of Electrical Works for Plant#3 at Khalapur
33	Client- High Commission of India Mauritius Contractor - M/s Afcons	Export Project	Supply and Fabrication of Crane Mattress Girders, Roof Trusses, Tubular Steel Piles for Mauritius Jetty
34	Client - MMRDA Mumbai Contractor- M/s RPS Infraprojects Pvt. Ltd.	Urban Infrastructure Rajnoli Flyover	Supply, Fabrication & Erection of Composite Steel Structure- Bridge Girders.
